(iv) cause at all times each insurance policy required to be provided, kept or maintained under this Section 3.05(b) to (A) name AT&T Corp., AT&T Capital Corporation, AT&T Commercial Finance Corporation and their respective subsidiaries and affiliates (all of the foregoing are hereinafter referred to, collectively, as the "Additional Insureds") as additional insureds, if such policy is a liability policy; (B) name each of the Additional Insureds as an additional insured and a loss payee, if such policy is a casualty or similar property insurance policy; (C) provide that the Secured Party shall be notified in writing of any proposed cancellation or modification of such insurance policy at least thirty (30) days in advance of any such proposed cancellation or modification; (D) provide that such insurance shall not be invalidated by any action, inaction or breach of the Debtor and

shall insure each of the Additional Insureds regardless of, and any insurance proceeds for losses shall be payable to each of the Additional Insureds notwithstanding, any omission or breach, or any act of negligence, including, but not limited to, any breach of condition or warranty in such policy of insurance, by the Debtor; (E) waive any right of subrogation of the insurers against each of the Additional Insureds and waive any right of the insurers to any setoff or counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability of the Debtor; and (F) provide that such insurance shall be primary insurance, that the insurers under such insurance policies shall be liable under such policies without right of contribution from any other insurance coverage and expressly provide that all provisions thereof, except the limits of liability as permitted hereunder (which shall be applicable to all insureds as a group) and liability for premiums (which shall be solely and exclusively a liability and responsibility of the Debtor) shall operate in the same manner as if there were a separate policy of such insurance covering each insured;

(v) on or before the Closing Date and thereafter on or prior to the renewal date of each insurance policy (and at such other times as the Secured Party may reasonably request) deliver to the Secured Party broker's certificates issued by or on behalf of the Debtor's insurers in respect of all policies, as issued or renewed. Each such certificate shall be accompanied by a statement from the Debtor's insurance broker or insurance agent stating whether, in the opinion of such broker or agent, such insurance policy complies with the requirements of this Section 3.05(b), that all premiums then due thereon have been paid and that, upon the issue or renewal date (as the case may be), such policy of insurance shall be in full force and effect; and

(vi) ensure that the Secured Party will not in any event be responsible or liable for the payment of premiums or assessments on any of the policies of insurance required to be provided, kept or maintained by the Debtor pursuant to this Section 3.05(b). The Secured Party may, however, obtain any insurance coverage for its own account and at its own expense (provided that such insurance does not interfere with the Debtor's ability to purchase the insurance required under this Section 3.05), and any proceeds payable thereunder shall be paid as provided in any policy of insurance relating thereto. The Debtor shall promptly provide the Secured Party with written notice of the receipt by the Debtor of any proceeds of any insurance required to be provided, kept or maintained by the Debtor pursuant to this Section 3.05(b) to the extent that it relates to the Collateral or any claims against the Secured Party.

(c) The Debtor shall keep and maintain at all times accurate and complete logs, books and records relating to the Collateral and each portion thereof, including any such logs, books or records required by any governmental authority having jurisdiction to be maintained or filed in respect of any item of Collateral.

3.06 Preservation of Collateral. The Debtor shall at all times hereafter maintain good and marketable title to the Collateral and each portion thereof and shall warrant and defend such title against all claims and demands of all third Persons. The Debtor shall promptly pay, when due, any and all taxes, assessments, fees and other public or private charges imposed, levied or assessed against or with respect to the Collateral or any

portion thereof or this Security Agreement except if the Debtor is diligently contesting or defending against such tax, assessment, fee or other public or private charge by appropriate proceedings (which, in the case of taxes, assessments or public charges, meet the criteria set forth in the proviso to clause (b) of the definition of Permitted Lien set forth below), and such contest or defense does not and will not result in any material risk of sale, disposition, forfeiture, seizure or other loss of, or any adverse effect on, any Collateral or any title thereto or interest therein. The Debtor shall not create, impose, assume or suffer to exist any Lien on the Collateral other than Permitted Liens (as hereinafter defined). As used herein, "Permitted Liens" shall mean (a) the Lien created by this Security Agreement in favor of the Secured Party and the Equipment Leases; (b) Liens for taxes, assessments or governmental charges or levies, provided that, if any such taxes, assessments or governmental charges or levies are delinquent, (i) the Debtor promptly gives the Secured Party notice of the related Lien upon the Debtor's discovering the same, (ii) no Event of Default shall have occurred and be continuing, (iii) the Debtor shall have set aside on its books adequate reserves sufficient to satisfy such taxes, assessments or governmental charges or levies (together with any interest, penalties, additions to tax or other assessments thereon) to the extent required by GAAP, consistently applied, (iv) the Debtor is diligently contesting or defending against such Lien by appropriate proceedings (which shall include the suspension of the collection of any such taxes, assessments or governmental charges and the execution of any such levies) and (v) such contest or defense does not and will not result in any material risk of sale, disposition, forfeiture, seizure or other loss of, or any adverse effect on, any Collateral or any title thereto or interest therein; (c) mechanics', materialmen's, suppliers', warehousemen's and other similar Liens arising in the ordinary course of business for services or materials, provided that, if payment therefor is overdue, the Debtor shall comply in all respects with the requirements set forth in subclauses (i) through (v) of the preceding clause (b); and (d) any other Lien with respect to which the Debtor shall have provided a bond in such amount, containing such terms and conditions, and with such surety, as may be satisfactory to the Secured Party in all respects.

3.07 Further Assurances. The Debtor shall, at its expense, do, execute, acknowledge and deliver all and every further acts, deeds, conveyances, transfers and documents, instruments, agreements and assurances reasonably requested by the Secured Party and which are necessary or appropriate for the perfection or preservation of the first-priority lien and security interest herein provided for in the Collateral, whether now owned or hereafter acquired.

3.08 Recordation and Filing. The Debtor shall cause this Security Agreement and any supplements hereto, and all financing and continuation statements and similar notices required by applicable law, at all times to be kept, recorded and filed at no expense to the Secured Party with the ICC, the Registrar General of Canada and such UCC and other filing offices as the Secured Party may reasonably designate from time to time in order to fully preserve and protect the rights of the Secured Party hereunder, and shall at its own expense furnish to the Secured Party promptly after the execution and delivery of any supplement to this Security Agreement opinions of counsel for the Debtor, Alvord & Alvord, Wilentz, Goldman & Spitzer, Frank Pellegrini, Esq. and Aird & Berlis, respectively, or such substitute counsel as shall be reasonably satisfactory to the Secured Party (the "Opinions of

Counsel"), which Opinions of Counsel shall cover all matters set forth in the forms of legal opinions set forth in Exhibits C, D, E, F and G to the Loan Agreement that relate to the Debtor, this Security Agreement or the Collateral. The Debtor further agrees that this Security Agreement or a photocopy of this Security Agreement shall be sufficient as a financing statement.

3.09 Power of Attorney. (a) The Debtor does hereby agree that the Secured Party shall have right, and does hereby irrevocably constitute and appoint the Secured Party, upon the occurrence and during the continuance of an Event of Default, its true and lawful attorney with full power of substitution for it and in its name, place and stead, directly or indirectly, to enforce any of the rights, powers, privileges and remedies under each and all of the Equipment Leases, to ask, demand, collect, receive, receipt for and sue for any and all Equipment Lease Proceeds hereof, with full power to settle, adjust or compromise any claim thereunder, make all waivers and agreements, give all notices, covenants and releases, and do all other things whatsoever that the Debtor is or may be entitled to do under the Equipment Leases, as fully as the Debtor could itself do, and to endorse the name of the Debtor on all commercial paper given in payment or in part payment thereof, and in its discretion to file any claim or take any other action or proceedings, either in its own name or in the name of the Debtor or otherwise, which the Secured Party may deem necessary or appropriate to protect and preserve the right, title and interest of the Secured Party in and to such Equipment Lease Proceeds and the security intended to be afforded hereby. Each and all the foregoing actions by the Secured Party shall be conclusively binding upon the Debtor in all respects. This power of attorney is a power coupled with an interest and is irrevocable.

(b) The powers conferred on the Secured Party hereunder are solely to protect its interest in the Collateral and shall not be construed so as to impose any duty upon it to exercise any such powers. The Secured Party shall be accountable only for amounts that it actually receives as a result of such powers and neither it nor its Affiliates (including, without limitation, AT&T Capital Corporation and AT&T Corp.) nor their respective officers, directors, employees, attorneys or agents shall be responsible to the Debtor for any act or failure to act, except for its or their own willful misconduct or gross negligence.

3.10 Marking of Equipment. (a) The Debtor shall cause each Item of Equipment to be kept numbered with the identifying number set forth on Schedule A hereto. The Debtor shall not change, or permit to be changed, the identifying number of any Item of Equipment except in accordance with a statement of new identifying numbers to be substituted therefor, and then only after (i) the Secured Party has been notified in writing thereof, (ii) such statement has been filed, recorded or deposited in all public offices in which this Security Agreement shall have been filed, recorded or deposited and (iii) the Debtor shall have furnished to the Secured Party Opinions of Counsel in form and substance satisfactory to the Secured Party to the effect that such statement has been so filed, recorded

and deposited, that such filing, recordation and deposit will protect the Secured Party's first Lien and security interests in such Items of Equipment, and that no further filing, recording, deposit, giving of notice to any other Federal, state, local or foreign government or agency or other action is required to protect the Lien and security interests of the Secured Party in such Items of Equipment.

(b) If, in the opinion of the Debtor or the Lender, marking of one or more Items of Equipment becomes necessary at any time to properly protect the rights of the Lender in and to such Items of Equipment, the Debtor shall, as soon as practicable after the Debtor or the Lender has determined that such marking is required, arrange for the marking of each such Item of Equipment in the following manner: there shall be plainly, distinctly, permanently and conspicuously placed and fastened upon each side of each such Item of Equipment a metal plate bearing the following words, or such words shall be otherwise plainly, distinctly, permanently and conspicuously marked on each side of such Item of Equipment, in either case in letters not less than one inch in height:

"THIS CAR IS MORTGAGED TO AT&T COMMERCIAL
FINANCE CORPORATION UNDER A SECURITY
AGREEMENT - TRUST DEED (CHATTEL MORTGAGE)
RECORDED UNDER SECTION 11303 OF THE
INTERSTATE COMMERCE ACT AND UNDER SECTION
90 OF THE RAILWAY ACT (CANADA)."

Such plate or marks shall be such as to be readily visible and as to indicate plainly the Lender's interest in each such Item of Equipment. In the event that any of such plates or marks shall at any time be removed, defaced or destroyed prior to the termination of this Security Agreement, the Debtor shall forthwith cause the same to be restored or replaced.

(c) Except as provided above, the Debtor shall not permit the name of any Person (other than the Debtor or the Secured Party) to be placed on any Item of Equipment as a designation that might be interpreted as a claim of an ownership interest in or Lien on such Item of Equipment, provided that the Debtor may permit any such Item of Equipment to be lettered with the name, trademark, initials or other insignia of any lessee of such Item of Equipment under any Equipment Lease in a customary manner.

Section 4. DEBTOR'S RIGHTS UNDER LEASES

Section 4.01 Rights of the Debtor. Except as otherwise expressly provided herein or in the Loan Agreement, until the occurrence and continuance of an Event of Default, Debtor may exercise all of the Debtor's rights, powers, privileges and remedies under the Equipment Leases, including, without limitation, the right to receive any and all monies due or to become due under the Equipment Leases.

Section 4.02 Obligation to Make Leases Available; Notices to Lessees. (a)

Upon the occurrence and during the continuance of an Event of Default, the Secured Party shall have the right to require that the Debtor make available to the Secured Party upon demand the originals of any of the Equipment Leases (including, without limitation, any amendments, supplements, attachments, schedules or other documents relating thereto) for the Secured Party's use in connection with any litigation, proceeding, arbitration or other effort to collect any amounts due or to become due, or to enforce any of the rights or remedies available, under any such Equipment Leases.

(b) Upon the occurrence and during the continuance of an Event of Default, the Secured Party shall have the right to notify any lessee under any Equipment Lease of the assignment of such Equipment Lease to the Secured Party hereunder, and to direct any such lessee to make any payments due under such Equipment Lease, to give any notices required to be given thereunder and otherwise to tender any performance due thereunder, directly to the Secured Party. For the purpose of facilitating such actions, the Debtor agrees from time to time upon the request of the Secured Party (whether or not any Event of Default has occurred) to deliver to the Secured Party undated signed notices from the Debtor to each lessee under the Equipment Leases in the form of Exhibit H to the Loan Agreement ("Notices to Lessees"). The Secured Party agrees to hold any such notices in escrow until such time as an Event of Default has occurred.

Section 5. COLLATERAL

5.01 Possession of Collateral. Except as otherwise expressly provided herein or in the Loan Agreement, so long as no Event of Default has occurred and is continuing, the Debtor and each lessee party to an Equipment Lease shall be suffered and permitted to remain in full possession, enjoyment and control of the Collateral, including without limitation, the original of each Equipment Lease itself, and to manage, operate and use the Collateral and each part thereof with the rights and franchises pertaining to the Collateral; provided, however, that the possession, enjoyment, control and use of the Collateral shall at all times be subject to the observance and performance of the obligations of the Debtor under this Security Agreement.

5.02 Casualty Loss; Failure to Maintain Equipment Subject to Eligible Leases; Cash Collateral.

(a) In the event that at any time any Item of Equipment is or becomes (i) destroyed, lost, stolen, irreparably damaged or otherwise unusable in the business of the Debtor, (ii) no longer located within the Permitted Area, (iii) missing for whatever reason for a period in excess of 120 days or (iii) taken by any governmental entity, including without limitation by condemnation, confiscation, requisition, taking of title or use by any governmental entity (in any such case, a "Casualty Loss"), the Debtor shall promptly inform

the Secured Party of the Casualty Loss. In the event that at any time any Item of Equipment ceases to be subject to an Eligible Lease and remains not subject to an Eligible Lease for a continuous period of 120 days or more (an "Ineligible Lease Condition"), the Debtor shall promptly inform the Secured Party of such Ineligible Lease Condition.

(b) At such time as either (i) Casualty Losses shall have occurred on a cumulative basis with respect to Items of Equipment equal to or exceeding the Threshold Level (a "Casualty Loss Trigger") or (ii) an Ineligible Lease Condition shall have occurred on a cumulative basis with respect to Items of Equipment equal to or exceeding the Threshold Level (an "Ineligible Lease Trigger"), on a date that is within two Business Days after the occurrence of such an Ineligible Lease Trigger or is within the lesser of ten days after the Debtor becomes aware of the occurrence of such a Casualty Loss Trigger or five days after the Secured Party gives the Debtor notice of the occurrence of such a Casualty Loss Trigger, as applicable (such date being hereinafter called a "Replacement Trigger Date"), the Debtor shall take one or more of the following actions with respect to all Items of Equipment that have become subject to a Casualty Loss or Ineligible Lease Condition since the last Replacement Trigger Date: (A) prepay the Secured Loan in an amount equal to the Allocable Amount (determined as of such Replacement Trigger Date) in respect of any such Item of Equipment (provided that any such prepayment shall be in a minimum amount of \$250,000), (B) deposit with the Lender Cash Collateral in respect of any such Item of Equipment in an amount in Dollars equal to the Allocable Amount in respect of such Item of Equipment determined as of such Replacement Trigger Date, (C) replace any such Item of Equipment with a Replacement Unit in accordance with the provisions of Section 5.02(d) hereof or (D) any combination of the foregoing. To the extent that the Debtor takes one or more of the actions described in clauses (A), (B), (C) or (D) of the preceding sentence with respect to a specified Item of Equipment, (x) the Debtor shall be entitled to retain, free of the Secured Party's Lien hereunder, any insurance proceeds, lessee payments, railroad payments or other casualty recoveries received by the Debtor to the extent that they relate to such Item of Equipment, and (y) the Secured Party shall execute and deliver such instruments and documents as the Debtor may reasonably request and which may be necessary or appropriate in order to release the Lien of the Secured Party on such Item of Equipment.

(c) The "Allocable Amount" with respect to an Item of Equipment as of a specified Replacement Trigger Date shall be equal to the product of (x) a fraction, the numerator of which is equal to the original cost of such Item of Equipment (as set forth on the List of Equipment Leases delivered by the Debtor to the Secured Party pursuant to Section 4.01(r) of the Loan Agreement) and the denominator of which is equal to the original cost of all Items of Equipment (as set forth on such List of Equipment Leases), and (y) one hundred five percent (105%) of the then outstanding balance of the Secured Loan as of such Replacement Trigger Date.

(d) In the event that the Debtor determines to deposit Cash Collateral in respect of any Items of Equipment that have become subject to a Casualty Loss or an Ineligible Lease Condition, then, on or prior to the earlier of (i) 180 days after the applicable Replacement Trigger Date and (ii) the day on which the Secured Loan becomes due and payable (whether at maturity, by acceleration or otherwise), the Debtor shall have the right

to replace any such Items of Equipment with replacement units of Rolling Stock (the "Replacement Units"), provided that each such Replacement Unit: (i) shall be free and clear of all Liens (other than Permitted Liens), (ii) shall have an AAR Value at least equal to the AAR Value for the Item or Items of Equipment being replaced, (iii) shall be subject to an Eligible Lease and (iv) shall otherwise be in all respects reasonably satisfactory to the Lender. The Debtor shall also have the right to replace any Item of Equipment that has become subject to a Casualty Loss or an Ineligible Lease Condition with a Replacement Unit as provided in Section 5.02(b)(C) above. Any Replacement Units and the related Equipment Leases shall immediately become a part of the Collateral for all purposes hereof and shall be added to the List of Equipment and the List of Equipment Leases delivered by the Debtor to the Secured Party pursuant to Sections 4.01(q) and (r) of the Loan Agreement, and the Debtor's ownership, use and possession thereof shall immediately become subject to the terms and conditions of this Security Agreement and each of the other Loan Documents and in connection therewith the Debtor shall deliver to the Secured Party such documents, instruments, agreements and Opinions of Counsel, and shall take such other or further actions, with respect to such Replacement Units as the Secured Party may require. If Replacement Units are not so substituted for any Items of Equipment subject to a Casualty Loss or Ineligible Lease Condition within the time period provided for above, the Secured Party shall have the right to apply the Cash Collateral relating to such Items of Equipment to prepayment of the Secured Loan, in whole or part, which prepayment shall be applied as specified in Section 6.03. The representations and warranties of the Debtor set forth in Section 3 above with respect to the Equipment and the Equipment Leases shall be true and correct with respect to each Replacement Unit and the related Equipment Lease as of the date such Replacement Unit becomes subject to this Security Agreement.

(e) In the event that the Debtor at any time elects to deposit an Allocable Amount as Cash Collateral with the Lender pursuant to subsection (a) or (b) above:

(i) Such Allocable Amount shall be deposited by the Debtor with the Secured Party to be held by the Secured Party as cash collateral to secure the prompt and complete payment of the principal of and interest on the Secured Loan and of all other indebtedness hereby secured (the "Cash Collateral"), until either applied to prepayment of the Secured Loan, or any of them, in whole or in part, or withdrawn pursuant to the Debtor's instructions in accordance with the terms and conditions of Section 5.02(f).

(ii) Any Cash Collateral held by the Secured Party may be commingled with other funds held by it from time to time, whether for its own account or otherwise. The Secured Party may, but shall have no obligation to, invest the Cash Collateral as it deems appropriate in its sole discretion. However, the Secured Party shall credit the Debtor at the end of each month with interest on any Cash Collateral held by the Secured Party during such month at the Money Market Rate applicable to such month, which interest shall be deemed to be part of the Cash Collateral held by the Secured Party hereunder.

(iii) Except as otherwise provided herein, the Cash Collateral shall not be released by the Secured Party except to the extent that all or any part of such amount is to be applied to prepay, in whole or in part, the Secured Loan pursuant to Section 5.02(d) above or withdrawn pursuant to the Debtor's instructions in accordance with the terms and conditions of Section 5.02(f) below.

(f) In the event that the Debtor replaces any Item of Equipment with respect to which the Debtor has deposited Cash Collateral with the Secured Party with a Replacement Unit pursuant to Section 5.02(d) above, so long as no Default or Event of Default has occurred and is then continuing, the Debtor may at any time thereafter request that the Secured Party pay over to the Debtor, and the Secured Party shall pay over to the Debtor, an amount of Cash Collateral equal to the Allocable Amount deposited with the Secured Party in respect of such Item of Equipment, together with any interest credited thereon. Upon the occurrence and during the continuance of any Event of Default, the Secured Party may, in its sole discretion, apply all or any part of the Cash Collateral to the Secured Loan and/or any other indebtedness hereby secured, to be applied by the Secured Party as specified in Section 6.03 hereof.

5.03 Other Releases of Equipment. So long as no Default or Event of Default shall have occurred and be continuing, upon the request of Debtor, the Secured Party shall take such actions as may be reasonably requested by the Debtor and which are necessary or appropriate in order to release, and shall execute and deliver releases in recordable form and otherwise in a form reasonably satisfactory to Debtor releasing (i) all the Secured Party's interest in and to any Item of Equipment, and (ii) such Item of Equipment from the Lien of this Agreement; provided, however, that no Item of Equipment shall be so released unless simultaneously therewith there shall be made subject to the Lien of this Security Agreement and the interest of the Secured Party Replacement Units and related Eligible Leases in accordance with the substitution requirements of Section 5.02(d) hereof.

Section 6. SECURED PARTY'S RIGHTS

6.01 The Secured Party's Rights. The Debtor agrees that if an Event of Default has occurred and is continuing, the Secured Party shall have the rights, options, duties and remedies of a secured party, and the Debtor shall have the rights and duties of a debtor, under the ICA and under the UCC (regardless of whether such ICA or UCC or a law similar thereto has been enacted in a jurisdiction wherein the rights or remedies are asserted), as applicable, and in addition thereto the Secured Party shall have the following rights and remedies:

(a) The Secured Party personally or by agents or attorneys, shall have the right (subject to compliance with any applicable mandatory legal requirements) to take immediate possession of the Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Debtor,

with or without notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession of, remove, keep and store the Collateral, or use and operate or lease the Collateral until sold.

(b) The Secured Party shall have the right from time to time to require the Debtor to, and the Debtor agrees that it will, at its expense and risk and upon the request of the Secured Party forthwith, assemble all or any Items of Equipment not then subject to an Equipment Lease as directed by the Secured Party and make them available to the Secured Party at a place or places to be designated by the Secured Party (which shall be in a storage yard or siding located contiguous to railroad tracks used in interchange within the 48 contiguous states of the United States).

(c) Any Collateral repossessed by the Secured Party under or pursuant to this Section 6.01 may be sold, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Secured Party may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any such disposition which shall be a private sale or other private proceedings permitted by such requirements shall be made upon not less than 10 days' written notice to Debtor (which the Debtor hereby expressly acknowledges as reasonable) specifying the times at which such disposition is to be made and the intended sale price or other consideration therefor, and shall be subject, for 10 days after the giving of such notice, to the right of Debtor or any nominee of Debtor to acquire the Collateral involved at a price or for such other consideration so specified. Any such disposition which shall be a public sale permitted by such requirements shall be made upon not less than 10 days' written notice to Debtor (which the Debtor hereby expressly acknowledges as reasonable) specifying the time and place of such sale and, in the absence of applicable requirements of law, shall be by public auction after publication of notice of such auction not less than 10 days prior thereto in two newspapers in general circulation in the City of New York. To the extent permitted by any such requirement of law, the Secured Party may itself bid for and become the purchaser of the Collateral or any item thereof, offered for sale in accordance with this Section without accountability to Debtor (except to the extent of any surplus money received as provided in Section 6.03). In the payment of the purchase price therefor, the Secured Party shall be entitled to have credit on account of the purchase price thereof of amounts owing to the Secured Party on account of the indebtedness hereby secured and the Secured Party may deliver the claims for interest on or principal of the Secured Loan or other indebtedness hereby secured in lieu of cash up to the amount which would, upon distribution of the net proceeds of such sale, be payable thereon. If, under mandatory requirements of applicable law, the Secured Party shall be required to make disposition of the Collateral within a period of time which does not permit the giving of notice to Debtor as hereinabove specified, the Secured Party need give Debtor only such notice of disposition (if any) as shall be reasonably practicable in view of such mandatory requirements of applicable law.

(d) The Secured Party may proceed to protect and enforce this Security Agreement or any of the Loan Documents by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Collateral or any part thereof, for the recovery of judgment for the indebtedness hereby secured or for the enforcement of any other legal or equitable remedy available under applicable law.

6.02 Effect of Sale. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings or applicable law or equity, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, by the Debtor or by any Person claiming, by, through or under the Debtor in and to the property sold and shall be a perpetual bar, both at law and in equity, against the Debtor, its successors and assigns, and against any and all Persons claiming the property sold, or any part thereof, by, through or under the Debtor, its successors or assigns.

6.03 Application of Sale Proceeds. The proceeds of any sale of the Collateral, or any part thereof, and the proceeds of any remedy hereunder shall be paid to and applied as follows:

(a) First, to the payment of costs and expenses of foreclosure or suit, if any, and of such sale, and of all appropriate expenses, liabilities and advances, including legal expenses and reasonable attorneys' fees and disbursements, incurred or made by the Secured Party;

(b) Second, to the payment of the amount then owing or unpaid on the Secured Loan and any other indebtedness hereby secured, and in case such proceeds shall be insufficient to pay in full the whole amount so due, owing or unpaid thereon, then in such order of application as the Secured Party shall select in its sole discretion; and

(c) Third, to the payment of the surplus, if any, to the Debtor, its successors and assigns, or to whomsoever may be lawfully entitled to receive the same.

The Secured Party shall give the Debtor notice of the manner in which any such proceeds have been applied by it.

6.04 Discontinuance of Remedies. In case the Secured Party shall have proceeded to enforce any right under this Security Agreement by foreclosure, sale, entry or otherwise, and such proceedings shall have been determined adversely to the Secured Party, then, and in every such case, the Debtor and Secured Party shall be restored to their former positions and rights hereunder with respect to the property subject to the security interest created under this Security Agreement.

6.05 Cumulative Remedies. No delay, omission, abandonment or discontinuance of the Secured Party in exercising any right or power arising from any default on the part of the Debtor, shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by the Secured Party of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or to impair the rights resulting therefrom except as may be otherwise provided herein. The Secured Party may exercise any one or more or all of the remedies hereunder and no remedy is intended to be exclusive of any other remedy whether hereunder, at law or in equity, but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing now or hereafter at law or in equity; nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness hereby secured operate to prejudice, waive or affect the security of this Security Agreement or any rights, powers or remedies hereunder, nor shall the Secured Party be required to first look to, enforce or exhaust such other or additional security, collateral or guaranties.

6.06 Indemnity. The Debtor agrees to defend, protect, indemnify, and hold harmless the Secured Party and each or the Secured Party's Affiliates, including, without limitation, AT&T Capital Corporation and AT&T Corp., and their respective officers, directors, employees, attorneys and agents (collectively, the "Indemnitees") from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, the fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding, whether or not such Indemnitees shall be designated a party thereto), imposed on, incurred by, or asserted against such Indemnitees (whether direct or indirect, and whether based on any federal or state laws or other statutory regulations, including, without limitation, securities and commercial laws and regulations, under common law or in equity, or based on contract or otherwise, including those relating to violation of any environmental, health or safety laws or regulations, the past, present or future operations of the Debtor or its predecessors in interest, or the past, present or future environmental, health or safety condition of any properties thereof) in any manner relating to or arising out of or as the result of negotiating, documenting or entering into, or the performance of, this Security Agreement, or any of the transactions contemplated herein, including, without limitation, the retention by the Secured Party of a security interest in the Collateral, the delivery, rejection, possession, use, operation, storage or repossession of any of the Equipment during the period while a security interest therein remains in the Secured Party or during the period of the transfer of such security interest in the Collateral by the Secured Party pursuant to any of the provisions of this Security Agreement, or any noncompliance by the Debtor or any lessee or other user of the Equipment with any laws, rules or regulations, including, without limitation, those relating to protection of the environment, or any customs or practices of the railroad industry (collectively, the "Indemnified Matters"); provided, however, the Debtor shall have no obligation to an Indemnitee hereunder with respect to Indemnified Matters caused by or resulting from the willful misconduct or gross negligence of such Indemnitee, as determined by a court of competent jurisdiction by a final order not subject to review or appeal. To the extent that the undertaking to indemnify, pay and hold harmless set forth in the preceding sentence may be

unenforceable because it is violative of any law or public policy, the Debtor shall contribute the maximum portion which it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all Indemnified Matters incurred by the Indemnitees. The obligations of the Debtor under this Section 6.06 shall survive the repayment of the Secured Loan and the other indebtedness hereby secured and any termination of this Security Agreement. The parties hereto further agree that the indemnities set forth in this Section 6.06 are in addition to, and shall not in any manner limit or act as a waiver of, any rights, including, without limitation, any rights to indemnification or contribution, which the Indemnitees may have under applicable law.

Section 7. MISCELLANEOUS

7.01 Successors and Assigns. Whenever any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party; and all the covenants, promises and agreements in this Security Agreement contained by or on behalf of the Debtor or by or on behalf of the Secured Party, shall bind and inure to the benefit of the respective successors and assigns of such parties whether so expressed or not.

7.02 Partial Invalidity. The unenforceability or invalidity of any provision or provisions of this Security Agreement shall not render any other provision or provisions herein contained unenforceable or invalid.

7.03 Communications.
